In Colombia, Ecuador and the Andes, the high-altitude climate lets growers produce roses, carnations, chrysanthemums, alstroemerias and hydrangeas all year round: that is why they are two of the world's largest flower exporters. This table is a guide: the season changes with the area, and greenhouses extend almost all of them.

By color

Yellow: joy and friendship (Sep 21, Mar 21) · Red: love (Feb 14, Sant Jordi) · Pink: affection (Mother's Day) · Blue: loyalty (Oct 3, Nov 19) · Purple: admiration (Nov 9) · White: peace and remembrance (Nov 1).
